

APRIL 2013

As we begin the month of April, we look forward to enjoying the beautiful spring weather and the outdoor activities that come with it. March has flown by leaving us only a little more than two months of preschool before our end of the year show and graduation!!! Two more months of learning and fun and then the transition into summer begins. Preschoolers continue with their regular schedules during the summer months in a specially designed summer camp for them. For those of you with school age children, keep in mind that we offer a full and exciting summer camp program.

On April we will be talking about:

- Topic of the month: Animal kingdom
- Artist of the month: Guayasamin
- Country of the month: Ecuador

EARTH DAY

Earth Day began on April 22, 1970 and is celebrated every April 22 since then. It's a day to remind us to take care of our Earth. We reflect on our planet, our environment, and learn what we can do to help keep the earth healthy. Since that is a weekend, we will have our Earth Day celebration on Monday, April 22th. We have many activities planned to help our students learn to reduce, reuse and recycle.

REMINDERS

- Mark your calendars: End of the Year Show and Graduation is June 7th in the morning. More info will follow.
- Please do not leave your purse or wallet in your car when dropping or picking up your child. We had a "smash and dash" break-in last week. It happened in less than 30 seconds. We do have police patrolling the area in the morning but they cannot stay here all day. Schools, hospitals and pharmacy's make good targets for thieves.
- If you have signed up for babysitting and know you are not going to make it, please let us know ASAP as we have families on the wait list.
