

## APRIL 2014

As we begin the month of April, we look forward to enjoying the beautiful spring weather and the outdoor activities that come with it. March has flown by leaving us only a little more than two months of preschool before our end of the year show and graduation!!! Two more months of learning and fun and then the transition into summer begins. Preschoolers continue with their regular schedules during the summer months in a specially designed summer camp for them. For those of you with school age children, keep in mind that we offer a full and exciting summer camp program.

### REMINDERS

- **Mark your calendars: End of the Year Show and Graduation is June 6th in the morning. More info will follow.**
- Please do not leave your purse or wallet in your car when dropping or picking up your child. We had a "smash and dash" break-in last week. It happened in less than 30 seconds. We do have police patrolling the area in the morning but they cannot stay here all day. Schools, hospitals and pharmacy's make good targets for thieves.
- If you have signed up for babysitting and know you are not going to make it, please let us know ASAP as we have families on the wait list.
