

April 2016

THEME OF THE MONTH

"Buildings" appear in different shapes, sizes and for many reasons have been adapted through history. Children are fascinated with buildings, machines, and construction sites. Whether it's a big building or a home being built in the neighborhood people and especially young children always stop to watch a construction site. Children are very curious with what is going on around them so it's important to explore this theme! We will explore fun and educational activities. From art projects to science activities we will connect and expand with multiple topics and countries around the world.

In addition we will learn about the artist Georges Seurat.

The country of the month will be "France" and we are going to learn about the culture, traditional clothing, food, geography and much more. Parents are welcome to share with us books or any activity that is related to the theme or country.

SPECIAL ACTIVITY

April 11-15 – Mommy, Daddy & Me Week! During this week parents are invited to share an activity of their choosing in their child's classroom. We invite you to prepare a cooking, art or special activity. Space is limited so please see your child's teacher to ensure you sign up in time! Look for the sign-up sheet on your classroom door.

IMPORTANT DATES

April 5, Picture Day. Please remember to send your child in their uniform.

April 14, 10:00-11:00 AM - Coffee Morning. RSVP required Raising Healthy Eaters with Nutritionist Natalia Pinzon

April 22- Earth Day

UNIFORM POLICY

It is stated in our Parent Handbook, "For safety reasons and to promote a sense of belonging there is a mandatory school uniform: khaki or navy shorts/pants/skirt and FSIA polo". We request that parents send their children with the proper uniform.

REMINDER

Dear Parents,

For your safety and security, please remember to **remove all personal** belongings from your vehicle when you drop off and pick up your child/children.

Thank you for your cooperation!

FSIA Administration
