

JUNE 2013

What a wonderful academic year we have shared! We are proud of our team's hard work and the outcomes we see in the children. We want to thank you all for believing in us and entrusting your child's care in our hands. It has been a joy having the opportunity of helping and guiding your children in their growth and development. For us, it is a privilege to see these little ones grow and gain confidence in themselves and in their abilities. We look forward to continuing to work with you and your child's future!

WELCOME SUMMER! As you all know our Factory of Fun Bilingual Camp will initiate on Monday, June 10th, 2010. We are looking forward to having your child/children here with us, having tons of fun this summer.

FALL REGISTRATION

Registration for the Fall went home in March. We are now filled in some of our age groups. If you have not yet paid, please do so ASAP as we only have limited spaces available and we have already opened registration to the public.

GET READY FOR SUMMER CAMP

What to wear?

We understand that children need to be in comfortable clothes, appropriate for both indoor and outdoor activities. For their safety, sandals, flip-flops, jellies, or boots may not be worn to the Summer Camp or School. We recommend that all children wear sneakers. To foster independence, we encourage parents to purchase clothing that children can easily manipulate.

Children must keep a complete change of clothing on hand at school or in a small backpack for the Travelers program. These clothes, as well as those worn to school, should be labeled with your child's name (including socks and shoes) using permanent marker.

Please note that children in the Travelers Camp should wear the blue camp T-shirt at all times every day. This shirt can be purchased at the school's office.

What to pack?
