

## MARCH 2013

Can't believe March is already upon us. It seems like the months are flying by much too quickly. February was a flash and I am sure summer will be here in the blink of an eye. We are delighted with the progress of all our children at this point of the school year. All have excelled in developing a culture of thinking. Our staff feels so fortunate to have such delightful, bright and beautiful children. We also appreciate all of our parent's efforts on our behalf. Your participation and communication makes our job so much easier.

March presents another fun filled and busy month at FSIA. We will continue to fill the student's days with a combination of fun activities, educational games and many other events. Of course we will have a great St. Patrick's Day complete with the "Pot of Gold at the end of the rainbow. The children love trying to catch the leprechaun leaving the gold!

We want to give a special thank you to Mr. Doobrow, Jenna's father from PK5 for being in our school giving speech about the role of a policy officer in our community.

On March we will be talking about:

- Topic of the month: Seasons
- Artist of the month: Impressionist
- Country of the month: New Zealand
