

MARCH 2015

Can't believe March is already upon us. It seems like the months are flying by much too quickly. February was a flash and I am sure summer will be here in the blink of an eye. We are delighted with the progress of all our children at this point of the school year. All have excelled in developing a culture of thinking. Our staff feels so fortunate to have such delightful, bright and beautiful children. We also appreciate all of our parent's efforts on our behalf. Your participation and communication makes our job so much easier.

March presents another fun filled and busy month at FSIA. We will continue to fill the student's days with a combination of fun activities, educational games and many other events. Of course we will have a great St. Patrick's Day complete with the "Pot of Gold at the end of the rainbow. The children love trying to catch the leprechaun leaving the gold!

On March we will be talking about:

- **Topic of the month:** Sound and Music
- **Artist of the month:** Fabian Ofner
- **Country of the month:** Australia

DR. SEUSS WEEK

March 2nd is Dr. Seuss Birthday and we will be reading lots of Dr. Seuss this week. Don't forget to read to your children at home. Get involved! NEA's Read Across America Day is a nationwide reading celebration that takes place annually on March 2nd —Dr. Seuss's birthday. Across the country, thousands of schools, libraries, and community centers participate by bringing together kids, teens, and books and you can too! Incorporate these guides and activities to celebrate reading with young people.

ST. PATRICK'S DAY

Don't forget to dress your little ones in green for St. Patrick's Day (March 17th). The teachers make this an exciting day for all the children during that week. We will celebrate with lots of fun games and green things.
