

## November 2017

### TOPIC OF THE MONTH

Dear Parents,

We had a great time at our [Fall Celebration](#). We did many great activities during this day some of the activities were; parades, pumpkin carving, trick or treat around the school, etc. Thank you! Parent's for your collaboration in making this event a wonderful experience. A special thanks to our teachers for their huge effort in making these celebration's so great.

This month we will introduce the theme "**Factory of Fun**" throughout the month, we will discuss about **what is to have fun? What is fun for me? How does your idea of fun differ from mine?**

The artist of the month is [Tomory Dodge](#) and the country is [United Kingdom](#).

As always we want the children to have a holistic approach with these themes and connect the information learned from all these topics. In addition we will focus on this month's meaning. "[Being Thankful](#)" we had a year full of different events and we should all take the time to be thankful.

### FALL DOOR DECORATION CONTEST

Have you seen the FSIA Classroom door decorations? The parent participation has been truly amazing and the results are fantastic! The decoration with most votes will win a free Babysitting for the whole class.

The votes will be counted via Facebook live on Nov 3<sup>rd</sup> 2017.

**Please vote!**

### THANKSGIVING CELEBRATION

This year our [Thanksgiving Feast](#) will be a day to get together and give **thanks** for everything that we have. This year we are inviting you all to come to celebrate with us, so the children will have a better understanding of the idea of giving thanks and sharing. Please remember to mark your calendars for this special occasion. We hope to see you all here!

### EXTRACURRICULAR ACTIVITIES

It's no too late to register your child in extracurricular classes. If you are still interested and want your child to do a trial class, please let us know.

We see how much our students enjoy the diversity of our classes, and this is a great opportunity for reinforcing important and necessary values like: Team Work, Independence and Determination.

The extracurricular classes we are currently offering are: Ballet, Tennis, Soccer and Robotics.
