

OCTOBER 2012

COMING ON TIME TO SCHOOL

Our morning program starts at 9:00 am sharp with the Circle Time. Children feel at ease when they arrive earlier before Circle Time to have a time to interact with their peers before formal class, this is why we strongly suggest parents bring their children on time, before 9 am, so they don't miss this prep time because it makes a huge difference and you will not interrupt the class in session

WEBINARS

Don't have time to come in person? Catch with us online. Edu1st offers excellent nutritional webinars directly to your computer. Just follow the link every time from our Facebook web page:

There is a late fee of one dollar per minute. If we have not heard from you by 6:30 p.m., we will call emergency numbers provided by you. If by 7:15 p.m. we cannot get a hold of any of our emergency contacts and/or haven't heard from you, the police and Children's Aid will be contacted
