

## May 2012

Another wonderful year! And we have all of you to thank for it! You always support us and when we need to look at things from a different perspective you let us know! Watching your children grow and learn and laugh this year has helped us to grow, learn and laugh with them. Each child brings us their individual personality, their individual view of life and their individual quirks; in so many ways it is fun and expanding and challenging for us. The End of the Year Show and Graduation are just around the corner. After that we are ready for an exciting summer camp!

## Field Trip

May 4 is the Field Trip to Steve Trash at Parker Playhouse in Fort Lauderdale. Rockin' Eco Hero Steve Trash performs World Class Green Illusions. He's toured all over the planet, including Japan, Australia, Canada, Spain, Portugal, and thousands of shows across the good old US of A. His shows are an amazing mix of rockin' music, amazing green magic tricks, and funny eco-education that will make you laugh until your tummy hurts. Steve was green waaaay before green was cool! He actually lives in a green home in the tiny hamlet of Frog Pond, Alabama.

## Mommy Sharing Day

May 15-18. May is here, and with it comes our annual celebration of Mother's with Mommy Sharing Day. A mother is more than the person who brings us into the world. Feel free to have moms, grandmas, aunts and/or any other significant person in your child's life come and spend an hour with your child in their school environment. Be sure to check the school calendar to see your child's class scheduled day for this very special event.

## Reminders

- Monday, May 28, 2012 is Memorial Day. School is closed.
- Mark your calendars: End of the Year Show and Graduation is June 8<sup>th</sup> at 9:00am. More info will follow.
- Please do not leave your purse or wallet in your car when dropping or picking up your child. We had a "smash and dash" break-in last week. It happened in less than 30 seconds. We do have police patrolling the area in the morning but they cannot stay here all day. Schools, hospitals and pharmacy's make good targets for thieves.
